Corresponding Author:***

The undersigned hereby transfers all rights, including but not limited to copyrights, associated with the paper to the “DIT.ADS International Multidisciplinary Research Journal (IMRJ).” The undersigned affirms that the paper is original and that they are the sole author of the paper, except for any material that is properly cited and sourced with the necessary permissions from copyright owners when applicable. The undersigned further affirms that they have the authority to make and execute this transfer of rights.

This agreement must be signed by at least one author, who confirms that they have obtained consent from any co-authors, if applicable. Additionally, the undersigned acknowledges that they are fully responsible for ensuring that all third-party materials used within the paper comply with copyright laws and that all necessary permissions have been obtained. The transfer of rights is irrevocable, and the undersigned understands that once the paper is accepted for publication, the copyright will belong to the journal, including the right to publish, reproduce, distribute, and display the paper in all formats, now known or later developed.

By signing this agreement, the author(s) ensure that the paper will not be submitted for publication elsewhere until a final decision is made by the journal, and they also agree to comply with the journal’s publishing policies.
